This Saturday 25th November is presentation day with 2 shot gun starts in a 2 person Ambrose the first at 6.30 am and the second at 10.30 am. Those attending the presentation should receive a small bonus voucher from the captain so I suggest all make an effort to be there. After rain on the weekend I expect our course to be in perfect condition so make an effort and come along to enjoy the course as you will never see it in better condition.
