

## Nambucca Heads Island Golf Club – Golf Report for the week ending Saturday 27<sup>th</sup> February 2021.

By Geoffrey McCann.

La Nina has certainly made itself felt on the Island – but surprisingly, the East Coast Lows that we experienced this time last year had delivered around the same rainfall. We probably didn't notice it that much because we were so happy to see the rain after the drought and bushfires! The forecast for the coming week indicates much less wet stuff, so hopefully, we'll be able to allow golf carts and scooters back on the course.

On **Tuesday 32<sup>nd</sup> February**, the course was open to walkers only – 20 of them! Bradley Dyet (9) from Kempsey scored 36 points to win the day's trophy voucher. Ball winners were John Landale (Coffs), Michael Tarleton & Ken Elley (Toronto) both 35, Brody Clarke (Kempsey) 33 and Diane Elley (Kurri) with 31 points. Greg McCoy needed a brief case to collect most of the NTP's – on 5, 7 and 8. Chris Swam got Stu's Ball on 15. The 18<sup>th</sup> not returned.

***The Ladies Opening Day on Wednesday was postponed to Wednesday 10<sup>th</sup> March due to the weather and waterlogged course conditions, as was Thursday's Medley Stableford.***

***Thursday morning – the 9<sup>th</sup> fairway and 5<sup>th</sup> Green – unplayable!***

**Saturday 27<sup>th</sup> February** was a Medley Single Stableford with 52 starters – bunkers out of play and “preferred lies” through the green. Philip Mander (13) revelled in these conditions top scoring for the day with 42 points to win Division 1 (scratch to 18) from Bruce Berry (4) with 40 points - good golfing guys! In Division 2, Paul McElhinney (20) scored 37 points to win Division 2 (19 to 45) from Gary Roach (26) with 36 points. Other good scores from Steve Frost and Peter Farrell 38, Graham Watson, Peter Moxon, Andrew Johnston & Michael Kenny (Sawtell) all with 36 points. NTP's went to Paddy Byrne on 2, Jenny Johnston on 7 to only 38 cms!, Phil Mander got Stu's ball on 15. Bruce Berry won't go hungry this week, cleaning up Subway's voucher on 8, the Pizza voucher on 13, a ball on 5 and the Pro Pin around \$50 on the 18<sup>th</sup>.

Our Greens staff have a new coring machine which will vastly improve drainage on our Greens – this and other treatments should assist in eliminating the Pythium Root Rot causing brown patches on the greens which has been plaguing us over the years.
