

The La Nina has certainly made itself felt, with a substantial amount received since mid-December. For those that saw the rainfall chart Paul sent around yesterday, please add another 39mms overnight!

The Club is slowly working its way through its new operating systems. Our tills and membership systems and both providing more timely and accurate data. We are still working on a couple of items, e.g. automating raffle vouchers and setting up a rewards point system, integrating the POS with our accounting software, etc. However on the whole it has been a very good integration thus far.

The benefits of this system will become clearer over the coming weeks and months and we thank you for your patience while we have been setting up and playing with certain aspects.

Very shortly you will be requested to present your members cards to receive the Members Discount. However, you will also be able to place money onto a "Top Up Account" which can then be used to purchase both bar and restaurant items. We will advise when this function is active.

Our new Golf Operating System is about to go live. It is called PPG and members can now find the link to the Members Portal on the Club's website, next to the previous Competitions Bookings. In addition, one of the Scoring Kiosks in the Club will also be setup for timesheet bookings and scorecard entry. All Competitions and Timesheets up to and including 8 March can be found on Computer Magic. All Competitions and Timesheets from 9 March are located on PPG.

Accessing Members Portal (PPG)

Go to www.namgolf.com Click on the Members Portal button. This will take you to the home screen. You will need to re-enter a new password. To do this click on Forgot Password. A code will be sent to your listed email address. enter this code and change your password to one that is at least 8 digits long, contains at least one uppercase letter and also one number. This will become your new password.

Entering into a Competition or for Social Play

Go to Tee Bookings, select the day you wish to play. You will see some times are now dedicated to Social play as well as Competitions. Select the time you want to play. You may also enter other players onto the Timesheet. The handicaps you see are GA handicaps. You may not see your own as there is a link directing you to GolfLink Australia's website.

Results

You will now be able to view previous competitions results. This can be found under the Results TAB. These are live and current for the day.

My Profile and Members Search

The My Profile button allows you to view the data we have on file that relates to you. You may change some of these items including your address, email and phone numbers. These will automatically update in our membership system. There is a Members Search button. You may opt in to letting your contact details be found under the Members Search through the Directory Privacy Settings found in My Profile.

Other Portal Features

Other features include, handicap lookups, My Bookings, Fixtures List, Conditions of Play, Weather links.

How to enter a Score from a Competition

The PPG Kiosk will be different from the Computer Magic scoring system. Instead of entering your member number to submit a score, you will be entering a scorecard number. The scorecard number will be located on your scorecard. From there it is very similar to computer magic. From the Kiosk you will be able to enter into a days Timesheet, however, it will not show the Competition on that day until you click on the day you wish to play.

Good luck, with trying the above. Should you require assistance please do not hesitate to reach out to myself or other staff.

Upcoming Events

Wednesday 10th March - Women's Opening Day - rescheduled.
Friday 12th March - Island Challenge, Sponsored by Kempsey Haval
Saturday & Sunday 3rd & 4th April - Easter Bowl

See you when the rain stops!

Kind Regards,

Johnathon Zirkler
